22<sup>nd</sup> March 2019

Dear Parents

We will be making chocolate rice krispie cakes and decorating them with mini eggs next week. Here is a list of the ingredients we will be using:

Milk cooking chocolate

Rice krispies

Cadbury's mini eggs

The children will not be eating the cakes in school but will bring them home.

We do have a full list of the children's dietary requirements/allergies according to the information that you have passed on to us previously. However, if there is anything new that you feel may need to be added, then please could you let us know using the form below. Otherwise, if you are happy for your child to sample the different foods we are going to be making, you need not take any further action.

Kind Regards

Reception Team

## **CHOCOLATE RICE KRISPIE CAKES**

I need to update the school records as my child \_\_\_\_\_ has the following dietary requirements/allergies:
