Dear Parents

It was lovely to see so many parents at the Year 3 assembly on Thursday and the event was enjoyed by many.

It is with great disappointment however that this occasion was filmed and put on a social media site, which goes against school policy and procedure. For many years parents have adhered to the school guidelines which incorporate all aspects of safeguarding. Unfortunately, this rule was abused yesterday and a video was posted on Facebook.

I am now in a position to say that should this situation ever re-occur, I will have to enforce a total ban on photographs and filming of any kind within school. With Christmas soon upon us, I must emphasise that any photos or videos taken of any school event must **NOT** under any circumstance be posted on **ANY** social media platform.

It would be with great sadness to resort to such action, however, as the Designated Safeguarding Officer, I would have no choice but to enforce this under school guidelines and policy.

I hope this message conveys the trust I need to have with parents in order to continue families having cherished memories of their child's experiences in school.

Yours sincerely

Mrs J Luxon  
Headteacher
