Dear Parents,

To support your child's learning the teachers are posting a variety of daily English and Maths activities to compliment the online learning resources already provided. There will also be 2 topic related tasks per week.

You will find these activities on the year group pages under the 'Classes' tab on the school website.

After completing a week of home-schooling there are a lot of fantastic websites to help add structure, fun and learning to your child's day for example:

9.00 a.m. P.E. with Joe Wicks - YouTube

10.00 a.m – Maths with Carol Vorderman <https://www.themathsfactor.com/>

11.00 a.m. – English with David Walliams - <https://www.worldofdavidwalliams.com/elevenses/>

12.00 p.m. – Lunch (cooking with Jamie Oliver)

1.00 p.m. Music – Mylene's Music Klass – YouTube :
