

Week beginning: 4th May 2020

Home learning week 7

This Friday is a special day for our nation as it marks 75 years since the end of World War 2. The special day is known as Victory in Europe (VE) Day.

We would normally celebrate an event like this in school through a themed week of learning. We would love to continue our theme week but through home learning instead. To find out a little more about VE Day in child friendly language, you can download this Powerpoint presentation from Twinkl, for free using their Covid-19 user name and password. <https://www.twinkl.co.uk/resource/t2-h-4788-ve-day-powerpoint>

On our school website, on our Reception page, we have uploaded a link to some suggested home learning activities. We would love to see what you learn and get an up to on our Tapestry page. Don't forget to take part in the two minute silence at 11am on Friday 8th May to show a sign of reflection and appreciation for our past and present service men and women.

Other suggested VE Day learning opportunities:

Hold a tea party for you and your teddies.

Learn a War Time song, there are some on YouTube. <https://www.youtube.com/watch?v=BGjYmVLxo84>

Research and compare living during WW2 to now. You could look at how different our clothes, toys, houses and food are.

Alongside your VE Day learning, remember to read daily, practise your phonics, count objects, add small amounts together using objects, hunt for shapes in your home and sing nursery rhyme songs.

A good website that I stumbled on this week is www.ictgames.com It has free interactive learning games for English and Maths.

Thank you for continuing to upload your learning and experiences on Tapestry; it is so lovely to see you all smiling and happy. We miss you all and are looking forward to the day when we can safely return to school.

We hope you enjoy the themed week of learning and we will keep our eyes on Tapestry to see what you have been up to.

Remember to stay safe, look after each other and have fun,

The Reception Team
