

### **Monday 11th May**

Hello,

Following our theme of seaside poems, we thought it would be nice if we could all look at a traditional seaside story of Punch and Judy. Watch the link below

<https://www.youtube.com/watch?v=TNNHAYRO1qA>

Task- Can you make your own puppets from the Punch and Judy show?

You can either do it on paper or you can make them out of socks. If you have your own ideas on making your puppets please have a go at making them.

Using your puppets you have made, can you now re-enact and retell the story of Punch and Judy.

### **Wednesday 13th May**

Watch the link again <https://www.youtube.com/watch?v=TNNHAYRO1qA> and look through the PDF provided on this day.

Can you now draw out a story board of your own version of Punch and Judy. If you want a challenge, why don't you write your own story of Punch and Judy! Make sure it has a beginning, middle and an end. You can either use the same characters or come up with your own.

### **Friday 15th May**

Using the link to our video of Punch and Judy, can you make a stage using an old box (cereal box, delivery box would be great.) for your story. You can use any colours you like. Then make some puppets for your story and have fun performing in front of your adult. If you can't make puppets for your story you can either use the puppets you made earlier or have a go acting it out yourself.
