

Phonics planning

Day 1

Can you and your grown up make some flashcards? We are going to be thinking about some Phase 3 sounds. Cut up some little pieces of paper and write a different sound on each piece.

ai, ee, igh, oa, oo, ar, or, ur, ow, oi, ear, ure, er

Can you practice saying each sound while holding up the flash cards.

Now you can play a little game of hide and seek. Take it in turns to hide a different sound somewhere in your home. To help the person who is looking for the sound you can say the sound in a loud or soft voice (Loud if they are getting closer to where you've hidden the sound, and soft if they are moving away from where you have hidden the sound.)

When you or the person you are playing with have found the sound card, you can both jump up and down waving your arms in the air while saying the sound on the card! (This is optional!)

Now have a go at this spelling game on Phonics Play.
