

Week 12 15th June 2020 Reception Home learning

Dear Parents and Children

Topic: Back to School/ Peace At Last

We hope you are all well. We have this week welcomed back children into the new 'bubble' Reception classes at school. We have had a good week getting used to our new learning environments. This is week twelve of home learning!

Here are some suggestions you could try this week. These ideas are closely related to the lessons we are learning in school. We hope you enjoy and have fun!

Please keep posting your children's work on Tapestry as we love to see it

Phonics

You can watch SET 2 speed sounds lessons on the Ruth Miskin Youtube channel at 10.00am. SET 1 is on **at** 9.30am and SET 3 (if the children need a challenge) is on at 10.30am.

www.phonicsbloom.com/uk/game/list/phonics-games-phase-2 Phase 2 games

www.phonicsbloom.com/uk/game/list/phonics-games-phase-3 Phase 3 games (please concentrate on digraphs and trigraphs igh, air and ear

Reading

Read the story 'Peace at Last' Jill Murphy www.youtube.com/watch?v=9U9y35kWBvM

How many noises did Dad hear in the story before his alarm clock went off? Can you remember the order of the story and the things that made the sounds? List the words of the things which made the sounds

Writing

The children at school have talked this week about missing children still at home and children from other class 'bubbles' Write a letter to a friend at school. Model writing a letter to someone you miss e.g. 'Dear Kate', 'I miss you', 'Stay safe', 'Love from Emily' etc

You could write or type the letter and post a photograph on Tapestry.

Label the parts of a rocket www.twinkl.co.uk/resource/t-t-9261-space-rocket-labelling-worksheet

Maths

Maths ideas can be found on the White Rose Maths website.

<https://whiterosemaths.com/homelearning/early-years/>

Double Rhyme

Double 1 is 2, Tap it on your shoe
Double 2 is 4, knock it on the door
Double 3 is 6, do some finger clicks
Double 4 is 8, put your hands up straight
Double 5 is 10, let's do that again
REPEAT and end 'We won't do that again!'

Number Bonds Using 10 objects

Find and count 10 objects, put the objects into two groups. Talk about the different ways that the 10 cubes can be made into two groups. Make as many different ways of splitting 10 into two groups.

Number Bond Rhyme

1 and 9 please make a straight line
2 and 8 please shut the gate
3 and 7 lets drive to Devon
4 and 6 lets learn some tricks
5 and 5 lets learn to jive
0 and 10 lets learn some tricks

Creative

Pointillism art work. Look at famous pictures by Monet and Seurat for example. Talk about how the pictures are painted using small dots. Use cotton buds to paint in spots. Use outlines such as rainbows and butterflies. Draw own sketch in black pen and fill in with coloured spots.

Physical

Children benefit from at least an hour of physical activity every day. 'Go Noodle' is a fun dance activity.

www.youtube.com/channel/UC2YBT7HYqCbbvzu3kKZ3wnw

The children have enjoyed 'Cosmic Yoga' sessions. www.youtube.com/user/CosmicKidsYoga

Every day: Continue to read and practice your phonics, sing counting songs, build using construction toys (lego/bricks), spend some time outdoors and most importantly enjoy playing games and speaking to your loved ones.

Don't forget there are lots of free resources for creative and academic learning on Twinkl

Have a wonderful week,
The Reception Team
