Year 5 Autumn Newsletter

Dear Parents/Guardians,

Welcome back to school and we are looking forward to an exciting term of learning, and getting back to a happy school routine.

Below is some information about Year 5 that we hope you will find useful.

Reading

We expect children to continue to read their school reading books at home, to an adult, as much as possible. In the back of the reading records, you will find all the home learning logins the children will need. Please keep the reading records in a safe place; there is no need to return them to school.

The children will be given a book on Mondays (related to their reading range) to read at home. If the children have completed their book, we would ask that they return it to school on Thursdays to be collected back in. A new book will then be issued the following Monday. The children are expected to do their Accelerated Reader quizzes on the given books at home; their AR login can be found in the back of their reading record.

PE/Games

Due to Covid restrictions regarding the mixing of 'bubbles', children cannot change for PE in school. Therefore, please ensure that your child **comes into school wearing their PE kit every Thursday**. The children can wear their school sweatshirt over their PE kit but they do not need to bring the remainder of their uniform. As the weather gets cooler, it would be advisable to provide leggings/tracksuit bottoms.

Thank you for your continuing support. If you have any concerns you would like to discuss with us, please email/phone the school office.

Mrs Roberts and Mr Goble
