

Welcome Back!

Dear Parents/Guardians,

We trust that you have all had a peaceful and relaxing break. We have attached a copy of the units that your child will be studying this term in line with the National Curriculum.

Homework

In Year 5 children will receive weekly spellings to learn. These will be given out on a Friday and tested the following Friday. Please support your child by practising their lists with them regularly.

Children will also have a weekly piece of English homework.

In addition, children will also receive weekly maths activities to support their work in lessons. Children are also expected to regularly revise their times tables at home.

Please upload your child's work onto Dojo.

Reading

We also expect children to continue to read their 'Accelerated Reader' books at home, to an adult, as much as possible. Please remember that Accelerated Reader tests can be taken at home or at school.

PE/Games

In Year 5 we will do PE on Wednesdays. Please ensure your child is wearing the appropriate kit. Due to Health and Safety if your child does not have the appropriate kit they will not be allowed to take part in these lessons, which form a vital part of each child's education. We are looking forward to swimming after half term, more information on this later.

Thank you for your continuing support, and if you have any concerns you would like to discuss with us we are more than happy to do so. We would ask that you contact us via the school office to discuss any pressing issues/concerns.

Kind regards,

Mr Goble and Mrs Roberts,
Year 5 Teachers
