Covid Protocol

This year's sports' days will be very different from previous years, but in order for the days to go ahead, we must follow the government guidelines. Many schools aren't having parents in; but, without you watching, it totally changes the experience for the children. Given the restrictions and limitations over the last 18 months, this will be the first time that we have had parents back in. Making it a very special occasion for all.

All rules are in place to limit contact with one another and follow government guidelines.

Covid Rules
All adults must enter through the cage
All adults must keep 2m away from those not in their bubble
Masks to be worn at all times apart from those medically exempt
There will be NO toilet facilities for adults
Chairs to be distanced 2m apart. Obviously, this doesn't apply to your own family group
Adults must stay in the adult zone throughout the entire event
Leave promptly at the end through the cage.
No adult will be allowed in school buildings under any circumstance

Entering school

Please enter via the cage, through the playground to the field. Chairs will be spaced out to ensure we follow social distancing rules.

Leaving school

At the end of the sports day, the children will be led back to class by their teacher. We ask all adults to leave through the playground and exit via the cage. Children will be dismissed at the end of the day at their normal time.

Children to come to school in their PE kit on their Sports' Day. Please apply sun cream and provide a full water bottle on the day. In case of warm weather, please also provide a sunhat for your child.

Any questions, please contact me at c.barter@stgeorgesportland.dorset.sch.uk I will try and answer any queries.

Further details to follow shortly.

Many thanks,

Mr. Barter
