Parents' Evenings are taking place on Monday 21st and Monday 28th March. If for any reason you cannot attend your given appointment, please contact the school office on 01305 820520 as soon as possible or contact your class teacher via Dojo. It is imperative that teachers are notified well in advance of the scheduled time.

Parents' Evenings allow teachers to share their child's progress and discuss elements of school life that may be reinforced with parental help and guidance at home.

I must thank all the many parents who take an active interest in their child's education. It does make such a difference to some of our learners. One of the many ways in which parents help is to listen to their child read on a regular basis.

Times tables also play an important role to a child's and adult's life. Regular practice helps reinforce these vital skills.

Please ensure that Year Six pupils attend school for their SATs week beginning 9th May 2022. We endeavour to minimise the pressure of these National tests, however, it is important that Year Six pupils attend school during this week and that appointments are avoided at all costs.

I would like to thank Mrs Restorick for preparing and leading a successful and enjoyable 'Book Week'. The children enjoyed sharing books and reading with their parents and peers. The array of costumes was testament to the parent's effort and imagination.

Year 6 enjoyed a World War II day yesterday. The effort made by each pupil was impressive. Well Done Year 6.

If there are any other dates, they will follow in due course.

Best Wishes

Mrs Luxon
