Dear Parents

St. George's School Games Day

Reception and Key Stage One: Thursday 17th March, 2022

This year we are really excited to be raising money for Comic Relief 2022! As one of the UK's biggest fundraising events, Comic Relief brings the entire nation together to get active, raise cash and change lives.

Comic Relief 2022 will be kicking off in schools and nurseries across the country throughout the week 14th – 18th of March.

Reception and key stage one: Thursday 17th March, 2022

Morning

In the morning, Reception, Year 1 and Year 2 will be taking part in a variety of sporting activities in the small hall.

Afternoon

CHASE THE BUNNY!

In the afternoon, reception and key stage one children (years 1 and 2) will be taking part in 'Chase the Bunny'. 'Chase the Bunny' will be a lung-busting obstacle course on the school field. A human-sized bunny will start approximately 100m in front. If the bunny is caught, that child will receive a prize. All children will receive a certificate upon completion. This will be a sponsored obstacle course and we ask that each child raises as much money as possible for Comic Relief. Please can the children bring the money in with them on Friday the 18th March to send off to Comic Relief. (Please find sponsorship form attached to the email.)

On the day, your child will need to **wear** to school appropriate sportswear. It is very likely that your child **will** get muddy, therefore, older sportswear is more ideal. It is also important to note that crawling, jumping, hopping, sliding and having copious amounts of fun will be the medicine of the day!

We hope to have a fantastic day that will prove a fun and memorable experience for all of the children, whilst establishing the school games values in the different activities. If there are any questions, please contact the school office and arrange a time to speak with Mr Palmer. **Let the training begin!**

Mr Palmer

Please note: key stage 2 (years 3, 4, 5 and 6) Sport Relief day will take place on Friday 18th March.
