

ST. GEORGE'S Year 4 Autumn Term Plan

English

Here we are - Oliver Jeffers - writing our own poems based around ourselves and our favourite places

Roald Dahl - a study of the author's work focussing mainly on the book 'The Witches'.

Poetry - looking at poems which use similes and other simple images to create a vivid picture for the reader.

Persuasive Texts - writing persuasive booklets for theme parks using language features and talk for writing strategies.

FRENCH:

Introducing myself - using je m'appelle. Say your name and age, Different greetings, numbers to 20

Family - en famille. Talking about people in your family, names, ages, numbers to 100

ART:

Children will study the work of Paul Klee and Pablo Picasso and then will produce their own art work in the style of these artists.

MUSIC:

Charanga scheme of work

Mamma Mia - Listen and appraise songs from ABBA, learn to sing Mamma Mia, play along using the glockenspiels and percussion instruments.

Maths: General number skills - Place Value, Addition, Subtraction, Multiplication and Division.
(Focus on times tables up to 12x)
Measures- capacity, mass
Shape- properties of 2D and 3D shapes
Investigations and problem solving.

Autumn Term 2022

PE Indoor:

Real PE - The focus for this unit of work is cognitive skills, with a physical focus on dynamic balance and coordination

PE Outdoor:

Tag Rugby
Hockey

P.S.H.E:

SCARF scheme - **Safety**

Children will learn about ways to keep themselves safe and learn strategies to gain a growth mindset.

Growth Mindset activities - developing independent thinking skills and a positive and hardworking mindset.

Science

States of Matter - The children will compare and group materials together, according to whether they are solids liquids or gasses. They will observe that some materials change state when they are heated or cooled and measure or research the temperature at which this happens in degrees Celsius. They will identify the part played by evaporation and condensation in the water cycle and associate the rate of evaporation with temperature.

HUMANITIES: St Lucia - a study of the Caribbean island, including aspects such as home life, school life and tourism. Map skills, continents, oceans, physical and human geography.

DT: Food technology - making and tasting food from another country (St Lucia)

RE:

1st half term - How special is the relationship Jews have with God?

2nd half term - What is the most significant part of the Nativity story for Christians today?

Computing:

E-safety. Password safety, security of personal information.
